

Many Thanks To Our 2009 City to Saddle Supporters...

for your loyal and valuable commitment to the City to Saddle Mission-assuring underserved children access to the wonderful world of ponies!

for opening your barn doors to share your love and knowledge of horses and equestrian activities with our wonderful City to Saddle boys and girls,

for continuing to provide generous financial support during an extraordinarily difficult economic period,

for kindly volunteering your valuable time and labor to support our administrative and program activities,

for your enthusiastic attendance, and much-welcomed participation at all of our special events.

Our Sincerest Appreciation,

The Founders and Board Members of City to Saddle
